USA Standard San Dimas™ Guitars

The USA Standard models are built to the same high quality specifications as the original Charvel® guitars, including the famous "broken in" neck feel. Each guitar is hand built using the finest wood, hardware, and pickups to produce a true Hot Rod Guitar at a mass production price. Many New Old Stock (NOS) Charvel parts are used, along with the newest advances in parts technology, bringing you the best of both worlds.

San Dimas

Alder body, bolt-on quartersawn Eastern hard rock maple neck with specially formulated oil finish, 1 11/16" nut width, 22 Jumbo frets, 25 1/2" scale length, Compound Radius fingerboard, Seymour Duncan® pickups, NOS brass tremolo, and black hardware.
